DEATH OF A COUNTY MAN AT ERIE UNDER INVESTIGATION

SECOND AREA RESIDENT IS QUESTIONED

BULLETIN

Erie—A fall from an overcrowded truck caused the death of Ray Powell, 51, of Youngville, Tuesday night, according to Det. Capt. George Wechner. Detectives were to confer with the district attorney Thursday morning to determine whether any charges would be placed against four men who accompanied Powell. The possibility that manslaughter charges might be placed against the truck driver or the other three men was being discussed.

A Youngville man is dead as the result of a drunken brawl, and another Youngville man may be involved in the affair, according to Erie city and state police.

Ray Powell, about 48, who resided at 25 West Main street when in Youngville, was killed; and implicated in the affair is Clark Bacon, of Youngville and Union City. Bacon, along with Arthur Mahar, of Erie; Harold Rodgers, of Ripley, N. Y.; and Fred Weaver, of Westfield, N. Y., are being held in Erie on open charges. According to Erie County Detective John Coates, the men were too drunk to give statements when taken to the jail.

Coates said the affair started with a fight Tuesday night when the five men had been engaged in heavy drinking. They had had one fight in an alley near 16th and Peach streets, and then all crowded in to the cab of a truck operated by Rodgers, with Union City as their destination. The fight broke out again in the truck cab, it is reported, and the men continued to slug each other while seated on each other's laps.

The truck was stopped on Route 10 near the 8-mile post south of Erie, and state police summoned. Powell's legs were jammed up under the dash when the other four got out of the vehicle. Rodgers went to a nearby farmhouse for aid and police were called.

Powell's body was taken to Hamot Hospital where Dr. John Fust, hospital pathologist, performed an autopsy and reported that a fractured skull, which induced a cerebral hemorrhage, caused Powell's death.

Two of the officers investigating the case are State Police Privs. Tony Vavarek and Paul Williams, formerly stationed in Warren county.

The highlight of Clarendon's Old Home Week will be the parade this evening at 7:30 o'clock, in charge of a committee headed by R. L. Bullock and C. S. Jones.

The parade will form on Ellison and Center streets, moving to and down Main to the show grounds where it will disband.

Some of the outstanding entries received are as follows:

Central Drum and Bugle Corps, Johnsonburg.

Armstrong Yellow Jackets, Johnsonburg.

Titusville Junior Marine Corps. Buesi Drum and Bugle Corps.

VFW Post No. 53, ladies' drill team, Jamestown, N. Y.

The committee announces that bands are also coming from Russell, Youngville, Kane and Warren.

Senate Wants Chief To Use the T-H Law

Washington (AP)—The Senate today passed legislation extending wage, price and rent controls through next Feb. 28. It includes a provision requesting that President Truman use the Taft-Hartley law in the steel strike.

Name Counsellors For YMCA Boys' Camp This Summer

Proper supervision at the Warren YMCA boys' camp will be assured this year with the array of staff members and counsellors who have been secured, it was reported to Camp Director Murray Cameron, today.

Camp opens Sunday, June 22, at the Erie "Y" Camp Sherwin near North Girard, and will run over a 10-day period to July 2.

Completing the experienced staff besides Mr. Cameron, who is serving as director, are:

Postcards are being sent out from the YMCA today to various establishments and individuals asking for sponsors or contributions to the camp fund; for sending underprivileged boys to Camp Sherwin. Naturally everyone won't receive a card, however, it is hoped that no one will hesitate to take a part in this if they are able.

ing in the capacity of director for his second straight year, will be Allen Anderson, named as assistant director; Miss Elizabeth Bathurst, secured as the full-time nurse in case of any emergency; Miss Bathurst's companion, and William Mulvey, the waterfront director. To carry out the well-rounded program of sports, religion and the various special activities that makes the Warren "Y" camp one of the best around, are the following:

Paul Mutzabaugh, who was probably the most popular counsellor among the boys in 1951, will head up the nature study and will be in charge of the religious services, as well as assist Mr. Cameron in the camp fire program.

Ridley, who has been a growing thing in Warren, will be under the instruction of Ken Morrison, with one or two assistants, and Paul Steinkamp is to be Mr. Mulvey's assistant on the waterfront.

Engineer of Note Dies at Hospital After Long Illness

Tunis Thayer Hubbard, former resident of Shaker Square, Cleveland, O., and widely known engineering figure, died at Warren General Hospital at 11:15 a. m. today after an illness of about a year's duration.

Born in Chicago, Ill., on July 2, 1872, Mr. Hubbard was graduated as a mechanical engineer from Cornell University in 1895 and was affiliated with Theta Delta Chi Fraternity.

Moving to Cleveland in 1910, he became a member of the Osborne engineering firm and, as such, designed several well known sports centers throughout the country, including the University of Michigan and Cleveland stadiums.

SMALL PLANE FALLS IN PITTSBURGH AREA

Pittsburgh (AP)—A small airplane crashed at the Thompson Airport, 20 miles southeast of Pittsburgh last night, killing the pilot and a passenger.

State police identified the dead as Fred Martinelli, 23, of Donora, the pilot, and James Thompson, 23, of Belle Vernon, RD 11, owners of the private airfield.

Coroner Joseph Check said Martinelli was practicing stalls when his craft went into a spin and crashed. Martinelli owned the plane.

Water Power and Resources Board Approves Application For Filling In Old Mill Race

Application of Nelson and Ellberg, Warren excavation firm, for permission to fill in the old Mill Race in order to further develop this and other Island property acquired by the concern, was approved in Harrisburg yesterday by the Water and Power Resources Board, and actual completion of the project will be rushed.

Divergence of the old Mill Race from a point about 300 feet south of Pennsylvania avenue, back into Conewango Creek, will be started on Monday. It will require the remainder of this week to move into place large pieces of equipment needed to make the cut in back of the old car barns. The new channel will slant southward back into the Conewango, cut through the original mill race bank and private roadway.

Nelson and Ellberg also will continue to fill in their large tract of land south of the private road on the island. They have 400,000 cubic yards of spent coal to move from the Penelec plant for use in this fill.

No future action by any other federal or state agency is required before the filling in takes place. The federal government has supervision only of streams declared to be navigable while the Water and Power Resources board controls non-navigable streams of which the Conewango is one.

Action by the Board late yesterday is an indirect result of action taken by Borough Council, two months ago, in voting no objection to the plan of Nelson and Ellberg. Officials of the Board had informed Borough Solicitor S. Knox Harper that it is a matter of policy for the Board, before it acts, to first ascertain the sentiments of a municipality wherein it is proposed to alter a stream of water.

YANK SENTENCED TO DEATH FOR MURDERS

Nuernberg, Germany (AP)—Pvt. Richard A. Hagelberger, 19, was sentenced to death by a U. S. Army court martial today for the carline slaying of two German civilians last April.

The court found Hagelberger guilty yesterday but recessed until this morning to decide the penalty to be imposed on the tall, dark-haired soldier from Chula Vista, Calif.

The young soldier's buddy, Pvt. John F. Vigneault, of Goffs Falls, N. H., had previously been sentenced to death for his part in the slaying on a road near Neustadt of two Germans who gave them a ride after the soldiers had spent the evening drinking beer in a tavern.

SYNOD TO MEET AT GROVE CITY COLLEGE

Chambersburg (AP)—Grove City College will be the site of the 1953 convention of the Pennsylvania Synod of the Presbyterian church.

Some 500 delegates to the Synod's annual sessions on the campus of Wilson College here voted yesterday to accept the Mercer County school's invitation to hold next year's meeting there, starting June 15.

This year's week-long meeting comes to a conclusion here tomorrow.

CARDINAL DIES

Official Board of the Girl Scout Council Has Discussions on Important Subjects

A number of important reports and announcements were received at the luncheon-meeting held at Camp Birdsall Edey by 16 members of the official board of the Warren-Forest County Council of Girl Scouts.

Mrs. Margaret H. Lewis, chairman, conducted the business session, and announced the return of proceeds from the annual cookie sale is very encouraging, with only a few districts still incomplete. She also reported all Juliette Low collection banks had been turned in and announced the amount sent to national headquarters in New York.

The board voted unanimously to thank Robert Wilder and his division chairman for their very competent and successful handling of the recent Scrap Drive.

Mrs. J. T. Valone read the proposed budget for 1953 and it was adopted following discussion.

Permission was extended to Mrs. James Conner, executive director of the council, to attend Camp Edith Macy this summer for a 10-day international training course.

Mrs. William Glassman, troop committee chairman of the newly-formed International Troop, announced the new leaders are Mrs. James Conner, with Miss Dora Messmer as alternate, and Mrs. Gerald Archibald as co-leader.

New office hours for the Scout headquarters in Market street were emphasized and should be noted by all interested in Scouting activities. Through June and July, the hours will be 8:00 a. m. to 12:00 noon; 1:00 to 4:00 p. m. and during August the office will remain closed.

Plans Progressing For Eisenhower's "Picnic" Saturday

Harrisburg (AP)—Gov. John S. Fine and other top Republicans will greet Dwight D. Eisenhower here personally tomorrow before the retired general's meeting with Pennsylvania's GOP delegation at Gettysburg.

Fine said arrangements are "progressing speedily" for the picnic and get-together for the 70-man delegation and its alternates at the Eisenhower farm on the outskirts of this historic battlefield of the war between the states.

Buses, with a state police escort, will take Eisenhower and his party on the 36-mile trip to Gettysburg.

Under the arrangements, Eisenhower will talk with the delegates and alternates between 10:30 a. m. and 1 p. m. EST at his farm. He will leave from Harrisburg for Gettysburg at 8:30 p. m. EST.

Luncheon for the group will be held on the spacious lawn at the side of the farmhouse, a weather-beaten, century-old structure Eisenhower purchased last year.

It was the old Camp Colt near Gettysburg where the former NATO commander held his first independent Army command.

MURDER CONVICTION

Pittsburgh (AP)—A jury of six men and six women has convicted Harry Wright, 50-year-old dormitory watchman, of second degree murder in the knife-slaying of Francis Mauder March 22. Mauder married Wright's 19-year-old niece four months before he was killed. Wright said the fatal argument started over Mauder's treatment of his bride.

VOICE BANNED IN AREAS OF SOUTH KOREA

Pusan, Korea (AP)—The South Korean government has banned Voice of America broadcasts over the 10-station government network, accusing it of "bitterly anti-government" and "obviously insulting" remarks.

The Voice has included in its three daily broadcasts editorial excerpts from many U. S. and other foreign newspapers attacking President Syngman Rhee and scoring recent political developments here.

The U. S. State Department broadcasting agency has been using the South Korean Government network for two years as a courtesy and not on a contract, said Dr. Clarence Rhee, director of the government's office of public information.

He said that for the government to continue carrying foreign criticism on its own radio would be "like lending a man a pistol to shoot you."

Rhee said it pained him "for any agency of the great United States Government, our gallant and sincere friend in time of adversity, to be a party to smearing a sovereign ally."

A U. S. Embassy official confirmed that the voice broadcasts were suspended last night. He said no protest was planned here; that if any were made it would have to come from Washington.

Rhee said the use of the government network would be restored to the Voice "at once" if the Korean Government is assured that the agency would not use the facilities "improperly."

Editorials carried on the Voice programs had criticized President Rhee for declaring martial law May 25 and for ignoring demands the National Assembly and United Nations representatives here to lift it.

GIRL HOSTAGE IS MURDERED BY CONVICT

Carmel, N. Y. (AP)—An escaped convict, making a desperate effort to seize a getaway car, stabbed a 9-year-old girl hostage to death yesterday as police closed in on him.

Hit by three police bullets, the convict surrendered and was taken to a hospital.

His little victim, stabbed with a butcher knife as her mother looked on helpless, died an hour later.

The slayer, Donald Snyder, 25, of Canastota, N. Y., gave warning of his desperation and cried: "If you come near me, I'll stab the child."

Alex Williams, 45, school bus driver and a special policeman, tried to persuade Snyder to release the child, Betty Lou Arnold. As he talked, he sidled up closer and fired, hitting Snyder. The convict then plunged the knife into the little girl's abdomen.

Williams drew two more shots, and Snyder gave up the fight.

Williams drove the school bus that brought Betty Lou home late yesterday.

The little girl, daughter of a prosperous hardware merchant, was crossing the lawn to join her young sister and another child when Snyder emerged from behind a bush.

He walked up to the house and told Mrs. Snyder:

"I'm an escaped convict. The cops are after me. I'm not fooling. I want you to let me in here or I'll take your children."

The mother screamed to the children: "Run, Run!" Two of them ran, but Snyder seized Betty Lou. Williams, seeing Snyder grab the child, drove away to get his gun.

As Mrs. Arnold ran toward a phone, Snyder kicked open the house door, dragged Betty Lou into the kitchen and grabbed the butcher knife.

He told the woman: "I want you to drive me to New York"—more than 50 miles away.

As Snyder held the knife close to the child, her mother led them to the cellar garage and they got into the family car.

While Mrs. Arnold stalled for time, Williams arrived with his gun. He and State Trooper Raymond Scarrachio, summoned by neighbors, sought to rescue the child.

Snyder, who was serving a 2½-year term in Green Haven State Prison for auto theft, had escaped Tuesday.

U. N. Planes Blast Reds on Two Hills

Seoul, Korea (AP)—United Nations fighter-bombers and tanks today blasted Chinese Reds on two Western Front hills with deadly explosives and burning jellied gasoline, in support of attacking Allied ground troops waging one of the war's hottest actions this year.

An Allied officer at the front called the fight "probably the biggest thing that's happened here all week."

The officer said the fighter bombers strafed, bombed and fire-bombed Chinese positions on the hills throughout the morning and carried their attack into the afternoon.

Both sides used tanks or self-propelled guns, artillery and mortars.

There was no indication that the flareup was a curtain-raiser to a Red offensive, threatened repeatedly by Communist negotiators at the Panmunjom truce talks.

By The Associated Press

The Taft-Eisenhower tug-of-war for Republican presidential nominating votes swung to New York City today, each contender huddling separately with the same group—New Jersey's 38-member delegation.

Gen. Dwight Eisenhower has been holding conferences all this week with state delegates to the July 7 national convention. Sen. Robert Taft of Ohio, his chief rival for the GOP presidential nomination, arrived in New York last night for the same purpose.

The strategy on both sides: With all but 13 of the 1,206 delegates chosen, the time has come to tighten favoring alignments and win over fence-riders and those leaning the other way.

Neither Taft nor Eisenhower now has the 604-vote majority needed for nomination. The Associated Press tabulation, based on avowed and conceded preferences, lists 464 for Taft and 391 for Eisenhower, with 130 spread among others and 208 disputed or uncommitted.

The Democratic race, to be decided at the party's July 21 convention, was even more inconclusive. To date, 1,058 of the 1,230 delegates have been chosen, with Connecticut scheduled to add 16 more at a convention tomorrow.

The Associated Press tally shows Tennessee's Sen. Estes Kefauver ahead with 246 votes. Second is Sen. Richard Russell of Georgia with 85½, followed by Mutual Security Administrator W. Averell Harriman with 85½. Others have a total of 246, and 394 are not yet staked off.

These most active candidates for the Democratic nomination, which requires a majority vote of 616, either were campaigning or getting ready to. Harriman was touring the West. Kefauver was in North Carolina, ready to swing into his home state Tennessee tomorrow. Russell was in Washington to start a two-week tour of some 15 states.

Eisenhower has an important date at Gettysburg, Pa., tomorrow with the Pennsylvania delegation. (Turn to Page Sixteen)

FORBES FIELD HAS STRIKE OF VENDORS

Pittsburgh (AP)—A vendors' strike at Forbes Field leaves the Pittsburgh Pirates' fans without their usual peanuts, hot dogs and soft drinks.

The walkout started Monday. One of the vendors was given soft drinks to sell instead of ice cream as he requested. All the vendors and 26 of 28 inside-the-park stands were closed last night.

Elks Completing Plans for Community Flag Day Exercises Saturday Evening

A number of committee meetings and rehearsals were held last evening in preparation for the Community Flag Day exercises to be held in Warren Saturday evening under the auspices of the local Lodge of Elks.

Today the platform is being erected at War Memorial Field in front of the bleachers where the ritualistic exercises including the oration by U. S. Senator Edward Martin will take place following the parade.

The Elk Lodge was particularly fortunate in securing Senator Martin for the program. He has been a member in good standing of the Elks for more than fifty years, having joined Waynesburg Lodge No. 757, shortly after it was organized and was exalted ruler of that lodge in 1906.

As announced previously Senator Martin and party will be guests of a small dinner at the American Legion at five o'clock Saturday evening, to be attended by members of the Flag Day committee, officers of the lodge, representatives of the VFW, American Legion and Marine Corps League and a few others. The parade is scheduled to start forming at Hickory street and Fourth avenue at six o'clock and will move promptly at 6:30. The route will be down Hickory street to Pennsylvania avenue, east to Carver and south to the Carver street entrance of Memorial Field.

Immediately upon arrival at the field the Johnsonburg Yellow Jackets Drum and Bugle Corps will put on a ten-minute drill and exhibition to entertain the audience which has already arrived and secured seats. This will occupy the lapse of time between the completion of the parade and the start of the ritualistic program.

Participating in the exercises will be the Warren Boy Choir, the High School band and the VFW-American Legion firing squad.

The committee has announced that a number of cars will be available for Elk members who (Turn to Page Sixteen)

Leak Causes Small Blaze at the United

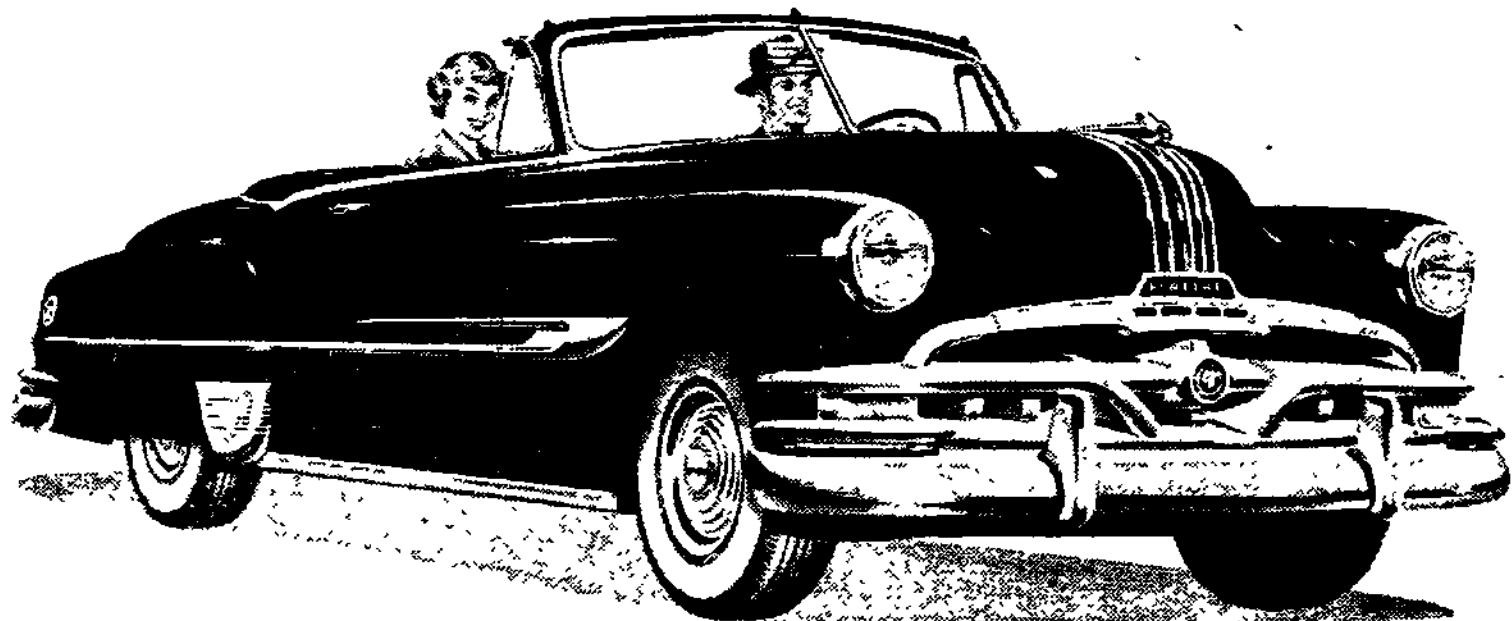

All fire equipment was called to the United Refining Company last evening when a leak in a broken oil line filled the old burning pit located between the tracks and the river bank directly behind the cracking plant of the refinery, and in some manner became ignited.

On the first alarm, at 9:30 p. m., the emergency truck and Engine two from the east side responded. Finding that the blaze was too hot to handle, firemen turned in a box alarm a few minutes later and Engine one and the aerial truck responded.

Firemen laid 1050 feet of 2½ inch hose and used both direct lines and fog nozzles to douse the blaze. There was no damage, and no loss except the oil which had leaked into the pit, firemen said. Return to stations was made at 10:30 o'clock.

Large Barn Near Sugar Grove Burns

Sugar Grove—Fire Chief Scott Stuart, Jr., placed at \$8,000 today the estimate of damage incurred last evening in a fire which totally destroyed a large barn and chicken house on State road, about three miles west of town.

The barn, a frame structure 100 by 60 feet, was owned by James Ramsey and located on what was formerly known as the John Linden farm. Mr. Ramsey is em-

ployed in Corry but his wife, with three small children, was at home when the fire broke out.

Neighbors turned in the alarm at 5:15 p. m., bringing to the scene 30 members of the local department and a group from the Wrightsville volunteer company.

Efforts of the firemen saved a second building, about 40 feet distant, in which were housed about 200 baby chickens, a tractor, some other farm equipment, and a large amount of hay.

It has not been learned how the blaze originated nor if there is any insurance on the buildings which were destroyed.

Annual Election Is Held by Co. Firemen

The June meeting of the Warren County Active Volunteer Firemen's Association held last evening with the North Warren Department as hosts, was attended by about 40 members, representing most of the companies. In the annual election Ted Rogers of North Warren, was chosen president. Other new officers are as follows:

Dick Morrison, Kinzua, first vice president; Leonard Falbriski, Clarion, second vice president; G. R. Ball, Youngsville, secretary; W. Scott Stuart, Sugar Grove, assistant secretary; Merle See, Youngsville, treasurer.

Following the business meeting the guests had the extreme pleas-

ure of watching a television show of the LaMotta-Murphy fight, telecast from Detroit. The TV set was provided through the courtesy of J. A. Blomquist, North Warren. Refreshments of ice cream, coffee and buns was served.

The next meeting will be held at Kinzua July 10.

Warren Recruiter Is Transferred to Eustis

SFC James Horony, USA, recruiting sergeant for the U. S. Army and Air Force in Warren for the past eight months, has been transferred to Fort Eustis, Va., where he will be attached to the Army Transportation Corps until his application for helicopter training is acted upon. Mr. Horony, who has been in recruiting work in northern Pennsylvania for the past four years, has a civilian helicopter pilot's license and hopes to get into that branch soon.

MSGT. James L. Diccillo, USAF, who arrived here several weeks ago, is Sgt. Horony's replacement and will be in charge of the local office, assisted by A-2c Joyce Townsend, USAF.

Mrs. Horony and infant daughter will remain with her parents in Centerville until her husband has made housing arrangements at Ft. Eustis.

Freight Movement Changes Are Made To Utilize Diesels

Changes in local freight hauling, which are expected to be effective as of Monday, June 16, were announced by local Pennsylvania Railroad officials this morning.

Beginning at that time, the Warren to Kane local freight will be discontinued, and Kane will become the home terminal for a daily Kane to Clarion and return freight. This is the first time since 1931 that Kane has been used as a home terminal, it is said.

The procedure to be followed was outlined in this way. Each morning, an Erie to Kane freight train arrives in Kane early. The diesel locomotive from that train will be used for the trip to Clarion and return. Upon return to Kane, the locomotive will be attached to a train for the return trip to Erie. Thus, Warren will be served by the Erie to Kane daily freight.

Officials point out that the change is necessitated by the fact that diesel equipment, being very expensive, must be kept moving and not allowed to lie in a yard. Otherwise, return on the investment is not enough to warrant the outlay.

GAMBLING TAX PROTEST

Titusville merchants will file a protest with the Treasury Department on the department's interpretation of the gambling tax as applied to merchandise clubs. This decision was reached at a meeting of the Retail Bureau board of directors. The interpretation, which becomes effective at the end of this month, is that operators of merchandise clubs must pay the 500 gambling tax in addition to a 10 per cent levy on gross business in the club. Merchants are protesting the ruling on the grounds that merchandise clubs are not a gamble since each participant receives full value for each dollar paid into the club.

tor J. B. Leidge. Mr. Cole said that he likes the large squad plan, and is looking forward to a big turnout for practice, this year's training extending over four instead of three weeks.

Fred Smith, Robert King, Arnold Whren, F. E. Snider, Robert Escott, Arthur West and Sam Hoffman, members of the Erie Kiwanis club, were present. Special mention should be made that Mr. King, who is 85, appeared to be a mere lad of not over 60.

Also in attendance were four members of the Youngsville club, Ray Weber, Howard Husted, Vern Hull and L. L. Johnson, who brought to Warren the "traveling drum." This drum is passed among the club members to take up a collection. The drum will be delivered to Corry next Monday by a Warren delegation and in turn Corry will deliver it to another club and so on until the drum visits every club in the district. It is interesting to note that each club recommends a certain project to which the money collected is to be used. So far Erie, Youngsville and Warren suggested it go toward TV sets for the State Hospital. The Warren delegation to Corry will endeavor to get that club as well as all others to subscribe to this good cause.

How Father Has Changed

By CYNTHIA LOWRY
A Newsfeatures Writer

With Father's Day in the offing, it seems a likely time to find out what kind of gifts an average young father was interested in receiving from his adoring offspring. The first generation we addressed expressed a strong desire for 104½ feet of drainage tiles and the price of a laborer for one day to help dig trenches in which to put said tiles.

Another fellow yearned for two yards of bluestone; another, for a band saw; another wanted a metal lawn rake and still another wanted a new pair of blue dungarees. The last man interviewed got a dreamy look in his eye and spoke about a post-hole digger.

This, it must be admitted, was not a scientific sampling which reached into all segments of the population. It was, on the contrary, taken among fathers in the under-45 group living in their own houses in the suburbs. A couple of urban fathers contacted expressed interest in photographic development material and golf balls.

All of the answers, however, served to emphasize the change which has occurred in the father business since the days when Father was routinely called "Papa", sported a formidable pair of sideburns, got about in a horse and buggy and generally was regarded as the lord of the castle.

I'm an ardent reader of the memoirs and it is my impression that almost every upper-middle class father of the Victorian period was a man of vast dignity, of age beyond his years and the disciplinarian of his family. Papa presided over his dinner table. Papa was regarded with awe and some degree of fear by his offspring. Papa was the person who made the decisions in the family, whether it was the vacation to be spent in the mountains or at the shore, or whether little Willie was lying about the disposition of his Sunday School money.

Today, Papa is Dad or Pop, and most of the time deliberately deports himself as a sort of genial older brother of his kids. That is, when Pop isn't playing the role of family handyman. Far from acting as a court of last resort in the solution of family problems, Pop is very apt to leave major decisions to Mom, who is in closer touch with the situation and who, besides, has read all those books on bringing up children.

I remember hearing stories of a not-too-remote male ancestor who ruled his large family with the traditional Victorian rod and whose wife habitually addressed him formally as "Mr." rather than by his first name. The thing that impressed me most was the fact that he usually was served a different menu from the rest of the family. For breakfast, for instance, his pleasure was small game birds or perhaps a little steak. The rest of the family contented themselves with porridge, eggs and other traditional fare. If the gentleman were alive today, he'd be content with the routine breakfast of the nation, but chances are he'd rush off like so many of his modern brothers to catch his train, sustained by a

Many Area Pupils On List of Grads At State College

A number of Warren and area students were numbered among the 1,850 graduates awarded diplomas in annual commencement exercises held June 9, at Pennsylvania State College.

There were 26 doctorates included among nearly 200 advanced degrees, and more than 160 of those receiving bachelor degrees were also tendered regular or reserve commissions in the armed forces.

Local graduates included on the roster of graduates were:

Warren—Barbara J. Cochran, 110 Conewango avenue, a bachelor of science in physical education; Julian M. Gordon, 112 Conewango avenue, bachelor of art in commerce; Carl A. Peterson, 112 North Irvine street, bachelor of arts in arts and letters; Richard D. Reed, 19 Central avenue, bachelor of arts in petroleum and natural gas engineering; Richard R. Thorpe, 123 Sixth avenue, bachelor of science in forestry; Janet E. Tritt, 430 Conewango avenue, bachelor of science in home economics.

Pittsfield—Ruth E. Brezelle, bachelor of science in home economics.

Sheffield—Charles G. Slater, bachelor of science in mechanical engineering.

Tionsa—Elizabeth N. Brennan, master's in education.

Youngsville—Arthur C. Woodard, bachelor of science in ceramics.

Ludlow—James C. Nelson, bachelor of science in forestry.

Tionesta—Shirley J. Smith, bachelor of science in home economics.

OFF TO WASHINGTON

Several officers of the Warren Electric Cooperative, Inc., left early today on a business trip to Washington. Included in the group were Maxwell Rhodes of Youngsville, manager; Axel Johnson of Youngsville, vice president; Harry R. Chinnberg of Scandia, treasurer; and Arnold Hagberg of Youngsville, bookkeeper.

gulp of orange juice and a sip of coffee.

Times, indeed, have changed. Whether the decline of omnipotent Papa, a sort of benign ogre in a hard hat, into Dad, the grass-cutter, screen-putter-on, leaky-faucet fixer, third-baseman and quarterback on the neighborhood team, is progress can only be determined by posterity.

Chances are, however, the memoir writers of the future are going to have a rough time piecing together anything like the things which have been published in recent years. Dad will emerge, if at all, as the slightly humorous figure who fell off the ladder when he was trying to get leaves out of the gutter, whose towering rages were directed at the failure of the power-mower to start.

As far as adolescent discipline is concerned, these future stories won't even have any scenes where a young wrong-doer is summoned into the study for a dressing down, or into the wood-shed for stronger action. Most houses aren't big enough for sanctuaries used by Papa alone, and obviously a garage isn't the proper surrounding for a walloping. Besides wallpings are slow in coming back.

THE SPIRIT OF 1952 FATHER'S DAY

"Happy Families Make A Peaceful World" is the theme of Father's Day, June 15th, 1952. This great American holiday was founded in 1910 by Mrs. John Bruce Dodd of Spokane, Wash. It was her way of honoring her father who raised her and five motherless brothers. According to Mrs. Dodd, Father's Day would fulfill the need of calling attention to father's place in the home, training the children, and safeguarding the marriage tie.

Mrs. Dodd took her idea for Father's Day to her own minister and through him to the Spokane Ministerial Association. They received her idea favorably. William Jennings Bryan was one of the first to give formal endorsement to Mrs. Dodd's idea when he said, "Too much emphasis cannot be placed upon the relation between parent and child," and he complimented Mrs. Dodd on her inspiration. The Spokane Young Men's Christian Association put the Father's Day ideal into action and Spokane, in 1910 was the first city to set aside a day to honor father. In 1916, President Woodrow Wilson recognized Father's Day and in 1924, President Calvin Coolidge recommended the national observance of Father's Day.

Father's Day is not only a day set aside once a year to honor our fathers, but also a day to remind them of their duties toward their children. Too many fathers have neglected their responsibilities in the rearing of their children in favor of their business activities.

Where happiness and freedom reign, there is peace. And so, Father's Day, 1952, stresses the theme—"Happy Families Make A Peaceful World."

HERE and THERE

Baseball under arc lights made its debut in Warren fifty years ago this month, according to an article in The Evening Times. Announcement of the "novel experiment" was made in a first page article in The Times in this manner:

What promises to be the greatest novelty, as well as one of the greatest attractions ever attempted in this city, is a game of baseball to be played at night by electric lights at Recreation Park during the evening of Tuesday, June 17th. The game will be between the Warren and Ashtabula teams, and each club will strive as hard for a victory as though the game were played in the day time. The lights used for this exhibition will be furnished by The Lawson Portable Electric Light Company, and were the same ones used last summer so successfully at York, Harrisburg, Chester, Burlington, Frankford, Roxborough, Philadelphia, Trenton, Newark, Hartford, Meriden and other cities, the attendance at those games being enormous. The lighting outfit consists of an engine, boiler, dynamo, etc., mounted on a truck and wheels, with detachable poles, wires and lamps that can be put up and taken down in a few hours. Eighteen powerful arc lamps are used, and are arranged around the diamond and outfield in such a way that the radiance of their light is concentrated in the center of the field. The games heretofore played have been close and exciting and extremely interesting. In a game played at York the New Cumberland team was defeated by the Penn Park Club by a score of 7 to 3, after playing an errorless game. Over 5,000 people witnessed the contest. Manager Dennis is making great preparations for a large crowd at the contest to be played here.

Warren's Community Observance Saturday, marked with a large parade and exercises at War Memorial Field, will make the 175th anniversary of the adoption of the American Flag June 14, 1777, since it was first designated for United States observance in 1895. Though it is not a legal holiday, the event is widely celebrated, especially in schools, since the first World War. Usually there is a general display of flags on homes, stores and buildings. But of more importance to the nation generally, the observance of

Flag Day, with ceremonies similar to what have been arranged in Warren, is stipulated as a "must" on the ritualistic calendar of every Elk Lodge, and it is for this reason that this community will take time out for a couple hours Saturday evening to pay allegiance to the Stars and Stripes under the inspiring leadership of the Lodge of Elks and their notable speaker, United States General Edward Martin, a former governor of Pennsylvania. Plan to participate.

Of Many Things: Ty Crandall, well known former big leaguer of the area, has been awarded the concession contract at Mead Park in Corry for the season. Lots of folks around these parts, including yours truly, are beginning

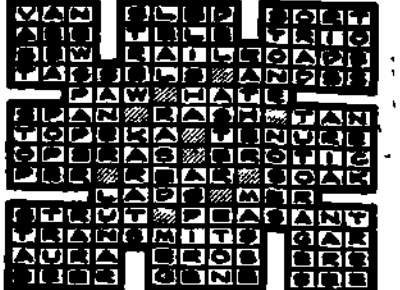

to think of changing plans about being in Cleveland long about the second week in October for some World Series games. Allegheny river, below Hickory street bridge, is becoming more popular each year as a course for boats with outboard motors. This is the season for parades, with one scheduled tonight at Clarendon, and another in Warren Saturday evening. Thousands of guests will arrive in Warren during the last of June and first of July to visit local friends and relatives over the Fourth of July celebration, and this is to advise that readers now place a ring around the calendar on the dates around June 26, 27 or 28, for a reminder to call the Social Editor, 1400, and have such visitors mentioned in

our personal column. . . . Eddie Norris is a Warren boy, who is making quite a reputation for himself with the National Association for Stock Car and Auto Racing, Inc., world's largest auto racing organization, being listed in the latest issue of "NASCAR Newsletter" as 17th among the leaders up to and including May 25 and what is more important, Eddie is found fourth in the leaders in Pennsylvania. . . . Surprising how many folks express pleasure over the fact that the Kiwanis Club will sponsor professional wrestling exhibitions at War Memorial Field this summer.

NEW BAB-O

world's sudsiest cleanser... now also

In Warren today! Get new Bab-O with sanitizing action!

Protect your family's health. Have a brighter, whiter, safer sink! No increase in price—yet you save the cost of extra disinfecting products!

Now your sink can be brighter, whiter... sanitary... disinfected!

KILLS GERMS!

*In actual laboratory tests, Bab-O has been proven again and again to kill or inhibit common disease germs causing dysentery, typhoid fever, pneumonia and other diseases!

Did you know this? Even clean-looking sinks may harbor dangerous germs! Right where your home should be cleanest, tens of thousands of germs may breed in the tiny, invisible porcelain pits and scratches... tiny holes that trap leftover bits of grease and grime. These germ-laden particles form a dingy film called Sink Smog—and grey, greasy Sink Smog nourishes bacteria, helps them grow and multiply!

New sanitizing Bab-O sweeps away germ-laden Sink Smog in seconds! Good news for every family! New Bab-O—the world's sudsiest, best-cleaning cleanser—now contains 4.25% Sodium Dodecyl Benzyl Sulfonate. Not only cleans your sink but also sanitizes your sink! New Bab-O with "suds" deadens common infectious disease germs that might cause dysentery, typhoid and other diseases!

Here's How! Bab-O is the world's sudsiest cleanser... has millions more suds... power-packed suds that dig deep into porcelain pits and scratches... power-packed suds that work sanitizing "suds" way down where germ-laden Sink Smog sticks. In seconds, Bab-O blasts germ-infested Sink Smog loose, sweeps it down the drain!

New sanitizing Bab-O! Clean, fresh fragrance! Kind to hands!

"There are tens of thousands of germs in every kitchen sink. But new Bab-O makes your sink safely clean!!!"

Visits Here After Absence of 25 Years

It's always a good feeling to return to one's old home town and look up former friends and associates and the past several days have been very pleasant ones for David T. Nelson, of Washington, D. C., back after nearly 25 years to visit with his sister, Mrs. Mary Daniel, 204 East Fifth avenue.

Accompanying him were his son, Lt. Donald Nelson, with his wife and twin daughters, Linda and Brenda, of Lufkin, Texas. Lt. Nelson is commanding officer of the Salvation Army in Lufkin and president of the Ministerial Alliance in the same community.

In connection with his Salvation Army work, he has just seen completed a major project which has included erection and financing of a new \$30,000 Army building, which now stands free of any indebtedness largely through Nelson's efforts.

While the young officer was born in Warren and attended Jefferson street school in his very early years, he has been away from town for many years. After completing public school studies, he was graduated from the Salvation Army Training College in Atlanta, Ga.

KNOW YOUR STATE

Prepared for the Warren Times-Mirror by the State Planning Board, Department of Commerce.

OUR CHANGING EMPLOYMENT PATTERN

Recent census data on employment in Pennsylvania illustrate the marked changes which have occurred in industry and in our occupational patterns during the past generation.

While figures do not tell the whole story, the changes in employment sources shown between 1920 and 1950 reflect radical alterations in our ways of life—alterations which have come about so gradually as to have been little realized by those who have lived through the period since the first world war.

Employment in trade and finance has increased 34 per cent in the thirty-year period. In transportation and the public utilities combined the increase is 16 per cent, in manufacturing and construction 9 per cent, in services and the professions 9 per cent, and in government 429 per cent.

The overall increase in non-agricultural employment in the thirty-year period was 521,000, from 3,021,000 in 1920 to 3,542,000 in 1950, a rise of 17 per cent.

The greatest loss of employment within the state in the thirty-year period was in the field of mineral extraction where the introduction

of machinery, the increase in coal stripping operations and a lessened consumption of coal because of the increased use of petroleum products, have led to a decline in mine and quarry employment, of some 46 per cent.

At the time of the 1950 census, the federal government which, in 1920 had some 3,300 civilian employees in Pennsylvania, had expanded its activities to employ 106,805 workers, as compared with 67,214 in the state government. The state employee total includes the faculty members of our state-maintained schools and colleges, all the employees of the State Liquor Control Board, the personnel required to staff the general hospitals, penitentiaries and the public health services, to construct, maintain and police the highways, to improve the public lands and to carry out the general functions of the state government.

Surprise Party For 25th Anniversary

Lander Mr. and Mrs. Willard Hitchcock were tendered a happy surprise party Sunday at the home of their daughter and son-in-law, Mr. and Mrs. Gordon Johnson, Jackson Run road, in celebration of their 25th wedding anniversary. Assisting the hostess were Mrs. Myron Rogerson and Mrs. Belmer Hitchcock.

Fifty relatives were in attendance from Jamestown, Busti, Corry, Waterford and Lander to remember the couple with lovely gifts and refreshments served included a three-tiered wedding cake.

Edna Morrison of Busti, and Willard Hitchcock were married June 4, 1927, at Ashtabula by the Rev. C. L. Green and have since resided in this community. They have six children: Miss Marion Rogerson, Waterford; Mrs. Gordon Johnson, Jackson Run road; Belmer Hitchcock, Lander; Stanley, Ford and Roy Hitchcock at home. Besides these they have four grandchildren.

The Hitchcocks have just recently returned from a trip to Pittsburgh and Glenview, O., where they visited Mr. and Mrs. Edwin Zimmerman, former residents here. They also called on Mr. and Mrs. Herman Reed at Cochranton.

ARE HOME AFTER ATTENDING GRADUATION

The Rev. and Mrs. Ernest A. Hook are en route home after attending graduation exercises of Westmont College Santa Barbara, Calif., from which their daughter Margaret, received a bachelor of arts degree. Their sons Philip and Paul, who are students in the same school, are also returning to spend the summer at home.

Pastor Hook will be back in his pulpit at Russell Street Baptist church on Sunday and Miss Margaret will sing at the Sunday services.

FALSE TEETH

That Loosen Need Not Embarrass
Many wearers of false teeth have suffered real embarrassment because their teeth dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder on your plates. Holds false teeth more firmly so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug store.

BRIDE-ELECT IS HONORED AT SHOWER

Miss Mary Anna Gerhardt, of Frewsburg, who will become the bride of Harold Adams, also of that place, on June 27, was complimented with a china shower given at Henderson's Tea Room in Jamestown by Mrs. Robert Halley, Russell-Lander road.

A three course luncheon was served amid table decorations featuring pink and white garden flowers and pink candles, with pink umbrella favors. Honors in contests went to Mrs. Martha Houghwot, Mrs. Fred Park, Mrs. Percy Adams and the honored one.

Others in attendance were Mrs. E. H. Bergman, Mrs. Clarence Donelson, Mrs. G. A. Rose, Jamestown, Mrs. Richard Enos, Russell; Mrs. Hiram Whelpley, Frewsburg.

WIN ONE CLASS HAS ITS ANNUAL TURBEE

Clarendon—The Win One Class of the Methodist church held its annual turbee dinner in the Methodist church parlors, with 10 members in attendance. Following the delicious meal a business session was held with devotionals conducted by Genevieve Kinch. Plans were discussed for an ice cream social to be held some time in July and the opening of dime banks yielded a total of \$82. Mary Campbell conducted an interesting program to conclude the meetings until fall.

JoAnn Elizabeth Welsh, daughter of Mr. and Mrs. Marie Welsh, of Youngsville, has chosen Saturday, June 28, for her marriage to Milford Eugene Towne, son of Mr. and Mrs. LeRoy Towne, of Busti, N. Y. The ceremony will be performed in the Youngsville Evangelical United Brethren church by the Rev. Harold V. Lindquist, with the reception following in the church parlors for relatives and invited guests.

MR. AND MRS. W. L. CHRISTENSEN

Rita Marie Pickard, youngest daughter of Mr. and Mrs. Floyd L. Pickard, 204 Palm avenue, and Wesley L. Christensen, son of Mr. and Mrs. Lawrence Christensen, 201 Cayuga avenue, were married at 100 p. m. Saturday, June 7, in Bethel Evangelical United Brethren church. The Rev. Roger D. Morey read the double ring service and attendants were the bride's sister and brother-in-law, Mr. and Mrs. Guy V. Smith, Clarendon. The bride chose powder blue accessories with a white linen suit and her matron of honor wore white accessories with powder blue linen.

Immediately after the ceremony the couple left for a honeymoon in New Jersey and New York City. To reside for the present at 204 Palm avenue, both Mr. and Mrs. Christensen attended local schools and are locally employed, she at the New Process Company, he with Warren Concrete Products Company.

The bride-elect was honored with parties given by Mrs. Edw. J. Wilder, Mrs. Marvin E. Goble, Frewsburg; Mrs. L. Morris Woods, Jamestown, Mrs. Guy Smith, and girls of the N.P.C.

Gratitude Is Expressed By Visitor From Greece

Sugar Grove—Mr. and Mrs. Elif Larkin, former residents of Sugar Grove now residing in Cleveland, O., recently had a distinguished guest in the person of Miss Olympia Hadjivasiliou, of Athens, Greece.

The 32 year old visitor, they write, is the only woman lawyer in her country's civil aviation activity and is spending five months in this country with a group of lawyers from Greece and Ecuador, studying with the Civil Aeronautics Administration in Washington, D. C. preparatory to writing civil air regulations for their own countries.

Miss Hadjivasiliou, who comes from a country where eggs cost \$1 each and a pair of stockings is \$6, receives a salary of \$250 a day. She first became a correspondent of the Larkin family when their Sunday school class of

the Baptist Church of the Master in Cleveland began sending contributions to Greece soon after the end of World War II.

Of this work, she told the Larkins: "I hope the American people realize the gratitude of the Greek people. Because of economic conditions in our country, we cannot exist without help from the United States."

SHOWER IS GIVEN FOR RECENT BRIDE

Ludlow—Mrs. Katherine Thornton, Ludlow, was honored guest for a bridal shower given at her newly redecorated apartment by Mrs. John Thornton and Mrs. Joseph Eckstrom. The approximately 50 guests were relatives and friends from Kane, Sheffield, Barnes, Sugar Grove and Ludlow.

Musical entertainment was provided during the evening by Mrs. Ed Wenstran and Mrs. Victor Bergquist, who played accordion and organ duets; Irene Eckstrom and Hope Carlson, singing duets, with the latter playing the guitar; Mrs. Wenstran and Mrs. Bergquist in guitar duets; and with group singing.

Coffee was served at a beautifully decorated table and the honored one opened her many gifts.

PARSONAGE OPEN HOUSE POSTPONED

It has been necessary to cancel until a later date the open house planned at the new parsonage of the First Church of the Nazarene in Pennsylvania avenue, east, scheduled for this week. Another date for the event will be announced later.

ENGAGEMENT

Mr. and Mrs. Ernest R. Wilson 108½ Cayuga avenue, wish to announce the engagement of their daughter, Joyce E. Wilson, to Vincent Gray, son of Mr. and Mrs. Paul Gray, 4 Biddle street. A late summer wedding is being planned.

Walter Whaley In Excellent Recital For His Home Town

Walter Whaley, popular Warren pianist and composer, gave a delightful piano recital Monday evening as a compliment to his home folks at the West Spring Creek Congregational church.

His program was carefully selected from the pages of the best classical and romantic composers; his playing is always a delight because he has a rare musical talent and his interpretations are interesting and colorful.

He was assisted by Janet Graybill, flute, and Donna Whaley, violinist, both of whom contributed no small amount to the evening's pleasure by their superb playing of several beautiful numbers.

The minister of the church, Rev. Lines, sang a leading part in "Sunday Echoes", a medley of

hymns cleverly and musically arranged by Mr. Whaley.

The remaining assistant was Adelaide Swanson, excellent Conservatory accompanist, whose work is always a rare treat.

She and Mr. Whaley played two groups of well known airs arranged most appropriately for two pianos. As an added request number, they played Mr. Whaley's excellent arrangement of "Stars and Stripes Forever".

The Hungarian Fantasia by Federer and the famous Tschai-kowski B Flat Minor Concerto brought to a close a concert that will not soon be forgotten. Mr. Whaley played the Concerto with great control, plenty of technique and splendid climaxes. Miss Swanson's playing of all these accompaniments without notes made it possible for her to give her entire attention to a perfect ensemble and support of the primary artist.

The church was filled to overflowing with an audience from communities near and far. At Mr. Whaley's request, an offering was

Moriah Lutheran News of Interest

Ludlow—The Rev. Hans Pearson will be attending the Augustana Synod meeting in Sioux City, Iowa, this week and Clarence Peterson, Mt. Jewett, will be guest speaker at the 11:00 a. m. service in Moriah church on Sunday.

Holy Communion was observed at Moriah church Sunday, Pastor Pearson giving as his meditation "Come Unto Me" and Mrs. Gustav Olson singing "More Love To Thee" by Jerome.

Moriah Ladies Aid held its regular meeting at the church, with

received and presented by the artist to the church.

Concluding, Mr. Whaley's sister, Pauline, served refreshments to the performers and their friends at her home.

Mrs. Gustav Olson conducting the business session. Rev. Pearson conducted devotionals and gave a short meditation. At the close of the meeting, a bake sale was held with Mrs. Vernon Swanson and Mrs. Homer Giffert as co-chairman.

Moriah Missionary Society was entertained at the church by Mrs. Charles Fetzick, with a fine attendance. Two members were welcomed into the group: Mrs. Larry Ross and Mrs. Arthur Lindquist of Wetmore. The program chairman for the evening was Mabel Peterson, who presented a preface to the 60th anniversary program, given by Mrs. Giffert, Mrs. John G. Johnson, and Mrs. Adolph Johnson. After a short business meeting, refreshments were served by the hostess.

Spring Recital By Eleanor Swanson's Pupils Is Pleasing

A beautiful recital was given in the Woman's Club Tuesday evening by students of Eleanor Swanson.

Such mature playing is rarely portrayed by youngsters as was evidenced in this spring program. Nearly every student revealed a clear cut and brilliant technique, combined with tonal depth, qualities usually developed only at a later age. Especially gratifying to the teacher was the enthusiasm expressed by the parents.

The following had a part in the program: Bruce McCarthy, Kay Jenkins, Wayne Samuelson, Rickie Moore, Tommy Curtin, Nancy Armstrong, David Van Orsdale, Lynda Shirey, Jim Jenkins, John Erickson, Kay Shattuck, Suzanne Smith, Lana Shields, Rozanne Roberts, Ann Sandeen, Suzanne Spattifor, Carol Lee Papaba, Sandra Coates, Geraldine Lindberg, Carol Van Blois, Patsy Duffy, Sandra Lundgren, Sally McCarthy, Carolyn Moore, Dolores Bailey, Ruth Ballard and Robert Van Blois.

RUSSELL 4-H CLUB MEMBERS ORGANIZE

Russell—A new 4-H Girls' Club was organized Wednesday in the Methodist church, with Mrs. Benton Bairdow and Mrs. Elton Anderson as local leaders. Geraldine Johnston, home economics extension representative, was in attendance to help the girls select their project for the summer, which will be sewing.

Officers elected were: Joan Anderson, president; Carol Bailey, vice president; Nancy Swanson, secretary; Linda Owens, game leader; Carol Atkins, song leader; Connie Lohmes, news reporter. Other girls in attendance were: Carol Satterthwaite, Myrtle Bairdow, Shirley Bailey and Grace Goudy. The club is open to all girls of the community and any others interested in membership are asked to be present for the next regular meeting at 1:30 p. m. June 26th. For the June 17th meeting, newly-elected officers will attend the officers' training school sessions at Warren.

Youngsville Auxiliary Elects New Officers

New officers for the coming year were elected at Tuesday evening's meeting of Youngsville Legion Auxiliary. They include Mrs. Leone Mack, president; Mrs. Evelyn Barnard, first vice president; Mrs. Dorothy Peterson, second vice president; Mrs. Harriet Bull, secretary; Mrs. Marjory Mourer, treasurer; and Mrs. Lena Mourer, chaplain.

Gold Star Mothers of Youngsville and vicinity were invited to attend the dinner and Mrs. Harriet Bull presented rings to all past presidents. Those present to receive their rings were Mrs. Mary Johnson, Mrs. Florence Mourer, Mrs. Lena Mourer and Mrs. Edith Pierce. Other past presidents who will receive the rings include Mrs. Lena Hendrickson, Ethel Borne and Mrs. Louise Schmidt, now of Titusville.

Delegates to the Inter-County Council at Ludlow on June 28 are Mrs. Lena Mourer and Mrs. Tressa Bauer.

It is estimated that insects each year destroy enough U. S. wheat in storage to fill the wheat needs of 16 million people.

GRADUATE—Louise Genberg, daughter of Mr. and Mrs. La-Vern Genberg, Pleasant township, was graduated June 8th from Rochester University School of Nursing, Rochester, N. Y. Member of the Warren High School Class of 1949, she will remain in Rochester as a member of hospital staff.

HOUGHWOT AND GREGORY FAMILY GATHERING

The 53rd annual reunion of the Houghwot-Gregory family was held at the Spencer picnic ground near Kiantone, with a large attendance to enjoy the bountiful dinner served in the dining room. The business session was conducted by the president, Mrs. Erie Springer, Frewsburg, who appointed Alvin Blausen, Roy Marsh and Conrad Venman as a committee to decide on next year's meeting place.

The historian, Miss Inez Gregory, reported three marriages, six births and two deaths in the past year. Officers elected were: President, Mrs. Erie Springer; vice president, Ralph Way; secretary, Mrs. M. L. Houghwot; treasurer, Roy Marsh; historian, Miss Inez Gregory. The president appointed as committees for next year: Mrs. Tom Darling, tables; Mrs. Harold Hale, program.

Mrs. R. A. Marsh provided an exceptionally fine program, after which ice cream and cake were served. Two members had birthday anniversaries and special cakes honored them, along with all singing, "Happy Birthday."

SUCCESSFUL PARTY BY TRINITY WOMEN

Chapter II of Trinity Women, newly formed group in Trinity parish, sponsored a very successful card party last evening in the parish house, with 30 tables in play and proceeds to be used for the purchase of choir hymnals.

Following dessert served by the committee, cards were taken up, the committee reporting the following received awards at the end of the evening: Contract bridge, Mrs. Harold Hand, high; Mrs. James Torrance, second. Auction bridge, Mrs. Chris Marker, high; Mrs. Paul Gray, second. Canasta, Mrs. Mildred McCune, high; Mrs. Hans Link, second. Samba, Evelyn Johnson, high; Clara Hammer, second. Five hundred, Mrs. James McMillen, high; Mrs. Robert Bonace, second. The special prize of the evening went to Helen Lawson.

Heading the committee for the pleasant evening were Gwen Maurer, Carolyn Timmis and Suzie MacDonald.

BAPTIST MOTHERS CLUB PLANS OUTING

Members of the First Baptist Mothers' Club will hold their annual picnic for their children at the South Side playground on June 19, beginning at 12:00, noon. Each member is asked to bring a turban and table service, the committee to serve beverages and dessert. All members will be contacted by the committee and, in event of rain, the affair will be transferred to the church basement.

GOING TO WEDDING

Warren BPW Club Enjoys Dinner For 14th Anniversary

The circus came to town in advance of its Jaycee-scheduled date on Tuesday evening, when 86 members and guests of the Warren Business and Professional Women's Club met at the YWCA for the club's 14th birthday dinner.

Miniature clowns, animals and acrobats combined to make the tables most interesting and colorful, while paper hats and bags of circus peanuts were the favors.

The toastmaster for the evening was Emma Christian, with Elizabeth Brasington, club president, giving the welcome and Mildred Harner, Youngville president, giving the response.

For the program, the Warren Boy Choir and its director, Byron Swanson, with Adelaide Swanson as accompanist, furnished a very enjoyable half-hour of music. Margaret Drivas, also accompanied by Miss Swanson, favored with two lovely soprano solos.

Guests were in attendance from Titusville, Cory and Youngville.

The committee for this very successful birthday event was composed of Viola Flowers, chairman; Edna Thompson, Ellen Courtney, Eunice Alexander and Frances Ulrich.

CIRCLE WILL PICNIC
Members of the Monday Night Circle of First Methodist WSCS will have a picnic at the home of Mrs. Arthur Chapman, 17 Jackson avenue at 6:00 p. m., June 16. Dessert, coffee and tea will be provided by the committee, members to bring table service and a tureen. In case of rain, it is announced, the affair will be transferred to the church.

COMMITTEE PLANS CANTEN DANCE

Announcement is made today there will be a dance in the Warren Youth Canteen Saturday night, 8:30 to 11:30 p. m., to follow immediately after the Flag Day activities.

The party has been planned for all young people of Warren and vicinity, including the Beauty, high school and college groups. Everyone is invited "come to the dance and support The Spot and, at the same time, enjoy an evening of good entertainment."

BIBLE CLASS CHANGE

Women's Bible Class members of First Lutheran church are advised of a change in place of their regular meeting tomorrow, the all-day session to be held at the home of Mrs. Edna Wallin, 414 Prospect street. Those attending are asked to bring a tureen, bread and butter, and table service.

YWCA DESSERT-MEETING

Mrs. Carl Lundahl will be hostess at the YWCA dessert-meeting Friday at 1:30 p. m. "A Man called Peter" will be reviewed by Mrs. Robert Whitehill and Mrs. Glenn Engstrom will present Susan Yeagle and Ulysses Grant with their accreditations. Reservations may be made by calling 450.

YWCA CAMP REMINDER

All Y-Teens who plan to go to Camp Newatah are reminded to have their baggage at the YW no later than 5:00 p. m. Friday, the truck to be loaded and leave promptly.

Newsriting Class On Summer Project

Several junior girls of the newsriting class of Warren High school have been at work at the school this week on details to further the aim of making their classroom as nearly like a newspaper's city room as they can.

Their main interest at present has been to set up a file of personal information relating to students and graduates, which was started by the class over a year ago but which, in crowded school days, was never completely installed.

Some of the junior members of the class, were not able to help at this time because of having left town or having summertime jobs. Those who have been doing the extra work are Mary Bauer, Joyce Chapman, Patricia Larson, Joan Saglimbene, and Coral Tome. The file is designed to help the class both in its service to the school through the school paper, the Dragonette, and in its service to the local newspapers and the local radio broadcasts through its news bureau.

DISCHARGED IN COURT

At a hearing before Magistrate Tracy M. Greenlund, this morning, two reputable physicians testified that gases from a refrigerator could have, and very probably did, cause a condition which led to the arrest of Elmer James, 210 Orchard street, on a charge of driving while under the influence of alcohol, May 26. Mr. James was discharged. District Attorney M. A. Kornreich, after hearing the testimony, said the Commonwealth would have no objection to the charge being withdrawn, but it was pointed out that no criticism was directed at the two officers who made the arrest. At the time, Mr. James was en route home from a maintenance call during which he had been called to repair a leaking gas valve, and is said to have appeared confused. It was said by those in close contact with the case that there was not sufficient evidence to obtain a conviction and that any jury would have acquitted Mr. James. When arraigned last May Mr. James entered a plea of not guilty and waived a hearing.

Men in Service

IN CALIFORNIA

Word was received on Wednesday by Mrs. Lester Akeley, McPherson street, of the safe arrival in California of her son, Lt. Robert L. Blume and her grandson, "Buddy" Chapel, who left Monday, June 2, for the west coast. Lt. Blume was graduated from Associate Signal Company Officer School at Fort Monmouth, N. J., on May 27 and has been transferred to San Luis Obispo, Calif. With his young nephew, he traveled west by the northern route, taking in Yellowstone National Park and other scenic spots en route. "Buddy" will be spending some time with his mother, Mrs. Veva Chapel, at Fontana, Calif.

In Air Force
Leigh McIntyre, son of Mr. and Mrs. Donald McIntyre, of Pittsfield, has enlisted in the Air Force and has been assigned to Sampson Air Force Base for his preliminary training. The young man is a member of the Youngville High school class of 1952, graduating May 27.

Obituaries

ELLIS NOEL BEAN

Funeral services for Ellis Noel Bean, of Kiffer Hill, were held at that place at 2:00 p. m. Tuesday, the Rev. Williamson officiating. Scripture reading was taken from the Book of Isaiah and his favorite hymn, "Crossing the Bar," was read. Those who served as bearers were three brothers and three brothers-in-law, Clifford, Seldon and Clemmer Bean, Thomas Knight, Carl Rodgers and Livingston Merkle.

Mr. Bean was born near Endeavor on July 18, 1888, the son of John and Pauline Kiffer Bean. He was united in marriage to Bertha Ishman, of Clarington, and to this union one son was born. His death occurred June 8 in Warren General Hospital, following a stroke. Surviving are his wife, Bertha Irene Bean; his son, Leo, at home; also six brothers and five sisters.

MRS. HULDA ANDERSEN

Services in memory of Mrs. Hulda Andersen, widow of James Andersen, 231 North Carver street, will be held at 4:00 p. m. Saturday at the Peterson Funeral Home, where friends are being received at the regular calling hours. Rev. Leland Hine, First Baptist minister, will officiate and interment will follow in Irvine cemetery.

Incorrectly given in yesterday's account of Mrs. Andersen's death was the residence of her son, James, who lives in Kalamazoo, Mich., while another son, Harold, of Warren, was omitted entirely.

Keen Competition By Sheffield Cub Packs

Sheffield, June 12—Cub Packs No. 35 and 36 of Sheffield, held a track meet at Memorial field Saturday, with the boys competing in races, broadjumping, highjumping, baseball throw, basketball throw and other feats of skill. They competed in age groups.

The following are the winners in each group: 8 year olds, First, Larry Silvis; Second place tie between Jim Doyle and George Petruny. 9 year olds, First, Jim McNeal; Second, Mickey Etallano. 10 year olds, First, Jim Rudolph; Second, David Ritchie. The champions of the entire meet were: Jim Rudolph first with 22 points; Jim McNeal second with 21 points; and Dick Johnston third with 15 points.

PERSONAL ITEMS

Cpl. Frank Vavala has arrived home from Fort Hood, Texas, to spend a ten-day leave with his mother, Mrs. Nancy Vavala, 703 West Fifth avenue.

Jane and Michael D'Angelo, daughter and son of Mrs. Ellen D'Angelo, 24 Buchanan street, have returned from a trip to Philadelphia and New York and Michael has resumed his duties with the Meadowbrook broadcasting station.

CARD OF THANKS

We wish to thank all of those who assisted in any way during the illness and at the time of death of our husband and father. We especially wish to thank those who sent flowers.

Middle District To Meet on June 19th

Program for a meeting of the Middle District Oil Producers' Association Thursday, June 19, at 6:30 p. m. in the club house, Oil City, will feature an address on oil field compressors and a color movie of an oil well fire.

Principal speaker following the dinner will be J. B. Merritt, Pittsburgh sales manager for the Ingersoll-Rand Company. His subject will be "Operation and Maintenance of Compressor Equipment."

A popular oil field movie, "Trouble Lurks Below," filmed in color in the Gulf Coast area under sponsorship of Humble Oil and Refining Company of Houston, will round out the program. The picture tells the story of a well that caught fire, of the methods used to put out the fire and save the well and eventually to make it a producer by drilling a deviated hole connecting with the original hole.

Q. R. Wilcox, president of the Middle District association, urged that dinner reservations be made early with V. G. Pardieck, association secretary.

Y. M. C. A. Planning Free Swim Classes

For the benefit of boys who cannot swim and are non-members, the Y.M.C.A. physical department, under William Mulvey, physical director, will conduct free classes every day next week, with the exception of Thursday, from one to two o'clock.

For boys nine, 10 and 11 years of age the classes will start at 1:00 and run to 1:30 p. m., and for those 12 years old and up they will run from 1:30 to 2 p. m. It should be noted that these instruction periods are exclusively for boys who cannot swim and do not belong to the "Y."

Anyone taking advantage of this opportunity should report to the building at the time designated and bring a towel and soap along.

PINE GROVE SCHOOL BOARD HAS MEETING

Russell—Jerrold Angove, president, conducted the June meeting of the Pine Grove township school board members, held at the school building and including a discussion of the possibilities of having a city water supply. In a previous meeting of some board members with the supervisors, it was reported, they were told such supply would be available for the school if a stand-by system is also maintained for use in case of emergencies.

A representative of the Peterson Writing System met with the board to explain the program for schools but no action was taken until further study of the plan.

Elburn Briggs and Donald Fehlman, representing the P.T.A., requested the board to consider purchase of a larger refrigerating unit for the cafeteria, one which would include a freezing compartment. Leonard Weston was appointed by the board to look into the need, costs, etc.

It was also decided Benton Baird, board member, and Howard Ramsdell, school janitor, should attend the fire prevention school which is to be held at Titusville.

THE STORY OF OLD GLORY—5

W P L
REPORTING

June is an important month in American history. It was on June 14, 1777, that the Continental Congress formally adopted the stars and stripes as the flag of the United States. The year before, on June 11, 1776, the same Congress directed John Adams, Thomas Jefferson, Benjamin Franklin, Roger Sherman and Robert R. Liv-

ington to draft a declaration of independence. It was on this same date in the year 1741 that Joseph Warren was born.

American history is unique in that it is the only history which from the beginning has been the story of a free people. Other countries have longer histories, stretching back to the tribe or the horde, always dominated finally by one leader. Other histories glitter with the crowns of kings, the jewels of the court.

The early settlers in America were dominated by the need for survival in a strange wilderness and by a desire for independence. The only glitter in their history is

the sharpened axe of the pioneer, clearing the forest.

In a recent book, THE IRONY OF AMERICAN HISTORY, by Reinhold Niebuhr, the story is traced from the simple nation making a new beginning to the United States' present position as the most powerful nation in the world today. The irony lies in the fact that the original settlers came here to break all ties with Europe. By this act of self-assertion and the national character of independence which developed from it, the country became a symbol for a free world and a leader in spite of itself.

For those readers interested in

a quick survey of how it all came about, the public library recently received a new reference book, A SHORT CHRONOLOGY OF AMERICAN HISTORY, by Irving and Nell Kull, which compiles 10,000 events from Christopher Columbus to Korea. (The fact that Mrs. Kull is a librarian is no surprise to librarians—this is just the kind of book we use most).

Dad Is Tops
To DaughterBy DAVID TAYLOR MARKE
AP Newsfeatures Writer

Your daughter has quite a complex job of growing up in these days. Fathers have an important share in determining whether this growing up is a challenging, expanding chain of events or a frightening, inhibiting series of experiences. Let's look for a moment at some of the ways in which Dad is important—now and later.

Writing in the Camp Fire Girl Magazine, a typical father, Ronald Lippitt, points out five ways in which he is important to his daughter and where he'd like to do a better job. He says:

"The first way is by being a target for observation—as a husband. Our daughters are actively building their images, positive and negative, about future husbands. For example, I think it is pretty important for us to express our affection spontaneously and openly as a part of family life.

"The pattern of household sharing of responsibilities is another thing a daughter learns from watching mother and father, as well as from her own participations. I'd hate to have Daughter learn that 'the woman always gets all the dirty work to do around the house.'

"Second is being a target for the practice of social skills. Our daughters need a chance to practice influencing our opinions and actions. Such successes can give them a positive feeling about taking initiative to express and sell their ideas. . . .

The third way, says Lippitt, is sharing and thinking about others. Fathers can help daughters learn to think about and appreciate the needs and ways of life of other persons and groups and nations.

A fourth way is "Mind stretching," he says. Creative thinking—solving problems by working actively at them—needs to be challenging and successful.

He adds: "We had some good practice the other day when Daughter was invited to two parties the same afternoon. Several alternatives were weighed before she hit on the solution of dropping in at A's birthday party first to leave a present to stay a little bit and then going over to B's party. I think one of our biggest challenges is to show how intellectual and social problem-solving can be fun and rewarding."

Finally, he says, fathers can help in the great out-of-doors. He gives an example:

"When Daughter put a new casting reel on her Christmas list I knew I was making progress. And canoeing is becoming first choice for a Sunday afternoon activity. Not only are these healthy activities, and a good basis of present family fun, but I think they provide a broad base of skills and interests which some other man will one day appreciate and enjoy sharing. . . . Let's keep on looking for new ways to collaborate in the lively job of living and learning with Daughter."

You make linens more than white with CLOROX... you make them sanitary, too!

CLOROX is more, much more, than an extra-gentle bleach... it's one of the world's great disinfectants. Used in laundering, Clorox helps protect your family against infectious germs which often survive ordinary washing!

Yes, Clorox-clean cottons and linens are more than snow-white or color-bright... they're hygienically clean as well... for Clorox is the most efficient germ-killer of its kind! And besides bleaching and disinfecting, Clorox deodorizes and removes stains. In addition, it's free from caustic—extra gentle on fabrics! So, to conserve linens... to protect health... use Clorox every washday!

And there's extra health protection in a CLOROX-clean home!

Laundering isn't the only way Clorox helps protect your family's health. In routine cleaning of kitchen and bathroom, Clorox deodorizes, removes stains, disinfects. And the Clorox type of disinfection is so safe and so efficient it is recommended by public health authorities. Directions on label.

CLOROX America's Favorite Bleach & Household Disinfectant

When it's CLOROX-clean... it's SAFER for Family Health!

Development Quota For Allegheny Is Topped by \$50,000

Meadville—The Allegheny College Development Program campaign goal of \$1375,000 has been over-subscribed by \$50,000, alumni of the Meadville liberal arts college were told Saturday by Paul W. Johnston, general chairman of the nationwide campaign.

The final total of \$1,425,000 for the college's building drive was announced by Johnston, who is president of the Erie Railroad, at the alumni luncheon which highlighted Allegheny's commencement activities.

The building fund campaign, launched in April of 1950, was officially closed on June 1 of this year, with subscriptions pledged by 4,125 alumni, students, faculty, parents and friends of the college. Largest of the gifts made to Allegheny was a conditional grant of \$270,000 from the Buhl Foundation of Pittsburgh. The grant was presented on June 15, 1951, with the provision that the college match the amount on a dollar-for-dollar basis.

The national campaign for the Allegheny building program was conducted in 31 areas of alumni concentration across the country. More than 1,200 alumni and friends of the college worked on local committees for the fund drive.

Miss Grace H. Miller, faculty member of Pittsburgh's Allegheny High school, served as associate general chairman for the Development Program. Special gifts chairman was Theodore F. Smith, president of the Oliver Iron and Steel Corporation of Pittsburgh.

Funds from the drive will be used for the construction of three new buildings on the Allegheny campus. Ground-breaking ceremonies for the first of these, Quigley Hall, a two-story classroom building, were held on Saturday, June 7. Plans for a men's dormitory and a fieldhouse are underway.

Alumni and friends of Allegheny in the Warren, Pa., area subscribed more than \$3,400 to the program.

It is believed that the earth's continents are, in effect, islands of relatively light rock floating on heavier substances below.

Why Not?

To the Editor:
There are as many rats as there are people in the United States, according to Robert C. Saxton, expert on rat extermination, said a story in the Feb. 15, 1952, issue of the Los Angeles Times.
Saxton said, "In this country, rats are carried by rats."
The second side of the question is the destruction that rats do.

Now of course Mr. Saxton is wrong in his notion that extermination is the way to solve the rat problem. The only way to handle a situation like that, I have learned from you humans, is to license and control it. Every rat should be made to pay a fee and wear a tag just like dogs have to. Any rat refusing to do so should have his income tax looked into. Maybe he could be sent to Alcatraz or somewhere for holding out on Uncle Sam. But, if there is going to be any exterminating done, it ought to be done on such blue-nosed fanatics as Mr. Saxton. After all, shouldn't a four-legged rat have just as much right to make a living as a two-legged one?

COST TO STATE, FOR DRINK VICTIMS, 5 TIMES TAXES!

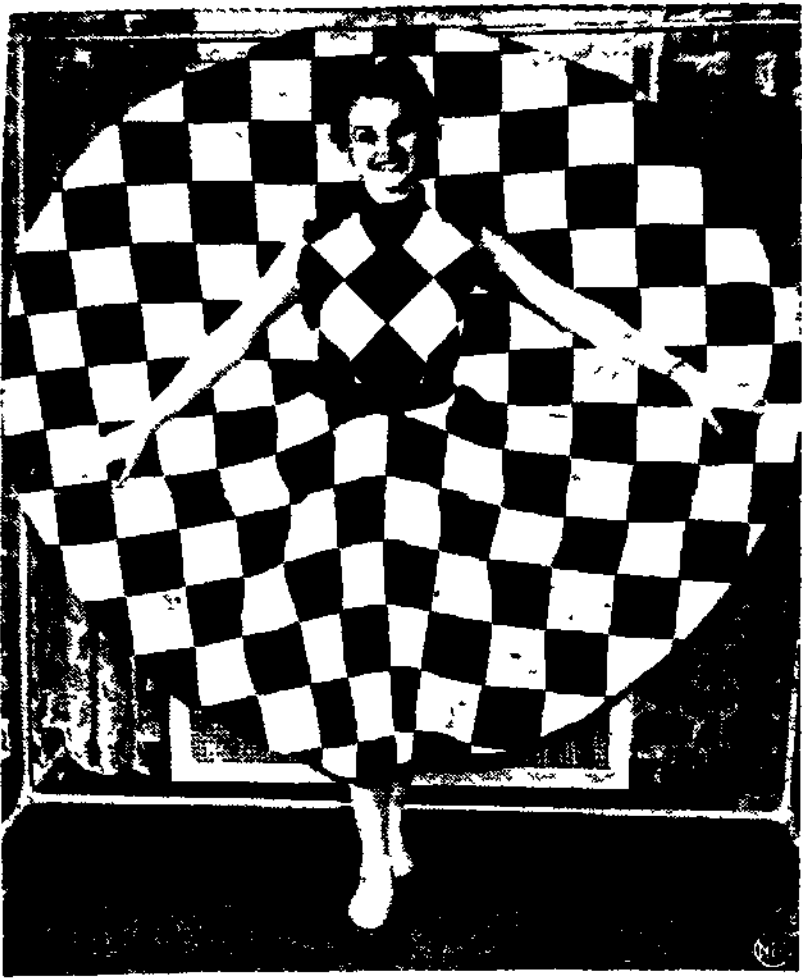

How Repeal Skyrockets Public Expense for Drunk-Caused Insanity, Crime and Poverty: (*) A special commission reported to the 1945 Massachusetts legislature that the annual public cost of drunkenness approximated \$61,000,000, or nearly five times the \$13,139,266 collected in taxes on alcoholic beverages in a year by the state and local governments.

VETERANS' NEWS

QUESTIONS AND ANSWERS

Q—I obtained a GI business loan, which is to be repaid in five years. I find that the monthly payments are too high for me to meet. Is it possible to extend the maturity of the loan, and thus reduce monthly payments?

A—Yes, provided both you and your lender agree to extend it, and the extension provides that the loan will be completely repaid within 10 years—the maximum period allowed under the law, for GI business loans.

Q—I am a World War II veteran, finishing high school under the GI Bill. Since I have some entitlement left, would I be permitted to go on with a course in a vocational school?

A—Yes, VA considers your high school training as an educational background that will enable you successfully to pursue your vocational training. Your vocational course, therefore, would be a normal progression from your high

school course—allowable under the GI Bill.

Q—I am the widow of a World War I veteran, and my application for a pension was turned down by VA because my income was higher than the maximum allowed by law. I understand there's a new law raising the amount of income I'm allowed to have, and still qualify. What can I do to get a pension under this new law?

A—You will have to file a new claim for reconsideration of your case, on or after July 1, 1952—the date the new provision becomes effective. There will be no automatic review of rejected claims.

Canada's area is 30 times that of the British Isles.

Officers Named By 4-H Club at Lander

Lander—A 4-H Club has been organized here, with Mrs. W. G. Lyon as leader and the following members elected to service as officers in the coming year. President, Joan Mahan; vice president, Betsy Firth, secretary, Marilyn Rickerson, song leaders, Joan Mahan and Debra Wilcox, game leaders, Betsy Firth and Linda Bloomgren. The first regular meeting was held Tuesday morning and will continue every two weeks.

Friends of Shirley Stanton,

daughter of Mr. and Mrs. Paul Stanton, will be sorry to learn she is confined to her home with rheumatic fever.

Mr. and Mrs. Edward Morrison and son, of Youngstown, O., have returned home after spending a week with Mr. and Mrs. Willard Dexter and Carl Rowley.

Mr. and Mrs. Willard Dexter and son, Gary, spent Sunday in Buffalo with relatives. Mrs. Linnea Dexter returned home with them for a two months visit. Friends will be glad to hear she is recovering from her recent illness.

Carl Rowley has sold his farm to Mr. and Mrs. Henry Hutley of Warren.

Eight Cassidy Kids Pay Their Own Way

MODEL FAMILY . . . Mr. and Mrs. Joe Cassidy of Rochester, N. Y., hold twins, the youngest of their eight children, all shown. The entire family are photographic models.

AP Newsfeatures
Rochester, N. Y.—“We planned it this way, and we’ve got something you can’t buy.”

This is what Joe Cassidy says about his eight children, whose ages range from eight years down to a little over six months.

Joe, 33, a traveling salesman, doesn’t mind the expense. All of his offspring make money modeling. So does his wife, Mrs. Elizabeth Cassidy, who is pretty and 30.

Pictures of all members of the family, alone and together, have appeared in photograph shows and leading magazines.

Mrs. Cassidy says modeling helps the family finances, “particularly when there are 10 of us doing it.” Papa Joe says the extra dough is a big help with restaurant checks.

The youngsters, in order of age, are: Noel, 8; Elizabeth, 6; Mary Joe, 5; Madeline, 4; Joseph Jr., 3; John, 1½, and the twins, Jeanie and Jimmy, born last (1951) summer.

Baby sitters usually balk a bit when they hear the size of the family. Says Mrs. Cassidy:

“But all of them are delighted when they discover how easy the children are to take care of.”

Trustees Elected By Lot Owners Of Foster Cemetery

Lander — During the annual meeting of lot owners of the Foster Cemetery, held at the Henry Lindell home, Grant Beck and Fred Ludwick were elected trustees for three years, succeeding Robert Walter and Mrs. Ernest Stanton. There was discussion concerning the raising of prices for lots and the work of digging graves, both matters to be acted upon at the meeting of trustees next Tuesday evening at the Lindell home.

The Jolly Ten Birthday Club was entertained at the home of Mrs. Raymond Falconer, with Mrs. Dewey Somers of Warren, as honor guest. The next meeting will be held with Mrs. Emerson Spicer, Jr. Mr. and Mrs. Herbert Putnam have sold their home here to Mrs. Avalon Miles, and have moved to Warren. Mrs. Miles and family have moved into their new home here.

A Children’s Day program was presented by members of the Methodist Sunday school Sunday morning. Mickey Alan, infant son of Mr. and Mrs. Myron Ludwick, was baptized by Rev. Gustav Erickson during the service. Sponsors were Mr. and Mrs. Richard Lindell.

Mrs. Bertha Burgett and daughter, Kate, have arrived from Gilbert, Ariz., and are visiting at the home of Mr. and Mrs. John Burgett at Frewsburg, and other relatives in this vicinity.

Surprise Party Is Held at Russell By Fifth Grade Pupils

Russell—Fifth grade pupils tendered their teacher, Mrs. Howard McJunkin, a surprise party at the school building in celebration of her birthday anniversary. She was remembered with a gift and refreshments were served.

Mrs. Paul Lindell was hostess to the Friendship Club, with eight members and two guests present. A tureen dinner was served at 1:00 o’clock and a social afternoon spent. Mrs. Fred Park will be hostess to the group June 20.

Thursday evening guests of Mr. and Mrs. Robert Haley were Mr. and Mrs. Chester Haley and daughter, Bessie; Mr. and Mrs. Percy Adams, Harold Adams, Mary Anna Gerhart, Frewsburg; Mr. and Mrs. Richard Enos, Russell.

Guests of Mr. and Mrs. Paul Lindell Thursday evening were Anthony Peterson, Chester Peterson, Mr. and Mrs. Ralph Johnson and family, Warren.

Mr. and Mrs. D. J. Larimer have returned from a Canadian trip and visit with Mr. and Mrs. Charles Bright, former resident of Russell.

Mr. and Mrs. Charles Fox returned home Monday, having spent the weekend with Mr. and Mrs. Ralph Stanton at Lexington Park, Md. While there, they enjoyed a fishing trip in Chesapeake Bay.

DEFENSE FACILITIES
Pennsylvania ranks first in the nation in the amount of expanded defense facilities receiving rapid tax write-off privileges, according to the U. S. Department of Commerce. More than 850 authorizations have been granted to state firms at a value of \$1,800,000,000. The amount is about 13 per cent of all industrial development being helped under the National Defense production program, the department added.

'Diz' Hines Thrills Ball Fans In Elks' 3-2 Victory; Warren Merchants Bow to Youngsville

That spry oldtimer, "Diz" Hines, led his scrappy Elks' team to a 3-2 victory over an aggressive Warren Business School nine, in a Sunset League game on the State Hospital diamond last evening, described by veteran fans as one of the most exciting ever staged at that popular field.

In a second game at Wilder Field, the up-and-coming Youngsville Merchants scored eight runs on nine hits to beat the league leading Warren Merchants 8 to 4.

thus going into a two-way tie for second place with the Elks. Each have a 3-3 record.

Because of a misunderstanding, last night's games were previously listed as second-half games; however, they were make-up games of the first round.

The Elks-WBS contest, played before a small crowd of shivering fans, came to a dramatic end when Hines, on the mound for his huskies, slammed a two-run homer in the last frame, to send in the tying run and register the winning score himself. The losers' tallies came in the first frame when Bud Berdine and Dave Lopez tallied.

When he came up with one out in the fifth inning, Hines connected for a three-bagger that went under the spectator seats in left-center, but his team mates were unable to push him across.

The game was a pitchers' battle all the way between Hines, himself, who held the Schoolboys to five hits, while Bill Weidert allowed the Elks only six.

At Wilder Field the game was anything but a pitchers' duel, Warren hitting Jim Sigworth for 11, while Smokey Bennett allowed nine in 6 and 1/3 innings. He was relieved by Rod Kerchner in the seventh.

Big batters for Youngsville were Harry Gnage, who smacked three hits, one a round-tripper, in four trips to the plate; and George Lucas with two for four.

Hank Sauer Stands In Williams' Shoes As Leading Slugger

By JACK HAND
Associated Press Sports Writer

No one will dare ask Hank Sauer to sit out the 1952 all-star game. The big fellow from Chicago stands in Ted Williams' shoes as the leading slugger in all baseball.

From the trend of the early '52 balloting, Sauer may wind up with the most votes of any player in either league. At least he will if he has many more days like yesterday.

Sauer hammered three of "cousin" Curt Simmons' pitches into the left field bleacher area for a 3-2 Cub win over the Phillies. Back in 1950 he also hit three homers off Simmons in an Aug. 28 game at Wrigley Field. No other major league batter ever hit three homers off the same pitcher in two different games.

Oddly enough, Sauer struck out three straight times in his last previous meeting with Simmons when the Phil southpaw fanned 12 and beat the Cubs on a two-hitter, May 13 at Philadelphia.

Sauer's slugging was the big news of the day, although there was much fussing and fuming last night at St. Louis where both Manager Chuck Dressen and Pee Wee Reese of Brooklyn were tossed out of the game with the St. Louis Cardinals. Del Rice's single in the 10th gave the Cards a 3-2 win, silencing the Dodgers' National League lead to four games.

Jim Hearn pitched the New York Giants past Cincinnati, 3-2, with a four hitter and little Murry Dickson of Pittsburgh blanked Boston, 5-0.

The New York Yankees strengthened their American League lead with a 7-2 win over Detroit on Johnny Sain's pitching and home runs by Joe Collins and Yogi Berra.

Washington's Bob Porterfield shut out Cleveland's Bob Lemon, 1-0 to let the Boston Red Sox take over second place with a come-from-behind win over St. Louis, 11-9. The Red Sox blasted Satchel Paige for six in the ninth, including a game-winning grand slam homer by Catcher Sammy White.

The Philadelphia A's knocked off Chicago, 5-3, on a four-run rally in the sixth that included a two-run homer by Al Clark, filling in for injured Gus Zernial.

NEW BROWNIE BOSS—Marty "Slats" Marion, left, sits at a press conference in Boston with St. Louis Browns' owner Bill Veeck after Veeck named Marion to succeed Rogers Hornsby as manager of the Browns. Hornsby was fired by Veeck in a surprise move following a collapse of the Browns.

Scorching Heat and Hogan Are Threats At Dallas Tourney

Dallas (AP)—Two intruders, heat and Ben Hogan, threatened to complicate matters today as the familiar figures of golf's tournament trail began their annual quest for the biggest prize of all, the United States Open championship.

Hogan, of course, was regarded as the most serious threat as the vanguard of the field of 162 players began to stream down the bottle-necked fairways of the Northwood course at 9 a. m. EST.

The wiry little man from Fort Worth, who plays in only a few selected tournaments each year, smashed the solidarity of the regular "tourists" by winning the last two Open championships. His rivals don't like to do it again, but they can't deny him a place among the top three or four favorites.

The sticky heat, which hasn't kept a few players from scorching the course in practice, may have a more serious effect if it continues through Saturday. The contenders will have to play 36 holes on that last day and the strength-sapping Texas sun may take a more severe toll than those old enemies of tournament golfers, par and pressure. The local weather bureau forecast continued 90-degree temperatures today with no relieving rain.

The top favorites, Hogan, Sam Snead and Lloyd Mangrum are getting old as athletes go—from 37 to 40 years—and most of their strongest rivals aren't exactly young.

Northwood will play 6,782 yards with a par of 35-35-70 for the championship. Its fairways are narrow, requiring great accuracy from the tees, and if a bad drive or the constant wind should send a ball into the rough, it can mean trouble. And the woods are always there to discourage chance-taking.

Penn State Meets Texas Today As Collegiate Series Opens

Omaha, (AP)—It's "batter up" today in college baseball's biggest show. Eight teams, the cream of nation's collegiate diamonds, are after the NCAA title in the sixth annual college World Series being played for the third straight year in Omaha's million-dollar Municipal Stadium.

The field this year is perhaps the best so far. Today's four games will see all eight teams in action but eliminate none. Only the twice-beaten will be side-lined in the double elimination play.

The tournament will continue through Monday or Tuesday, depending on whether 14 or 15 games are necessary to decide the championship.

Today's schedule, all times Eastern Standard.

1 p. m. Texas vs Penn State
3:30 p. m. Duke vs Oregon State
7 p. m. Western Michigan vs Holy Cross
9:30 p. m. Missouri vs Colorado State

Falcons Split Two Games With Olean

Mike Trapani, Hamilton left-fielder, beat the curfew by four minutes with a line drive to score a teammate in the 15th inning last night to put the Cardinals back in a tie for the Pony Baseball League lead.

Trapani's hit drove in Don Demarse who had doubled with two out. The loser by a 5 to 4 score was Hornell—the team that started the battle with a half game grip on first place.

Jamestown split with Olean. They won the first, 5 to 0, and dropped the nightcap, 4 to 1. Last-place Corning beat Batavia, 8 to 3. Wellsville at Bradford was postponed because of cold weather.

Chicago Pays \$25,000 To Sign Erie Player

Erie, (AP)—Sam Williams, whose fast ball earned him a 4-0 record this year as a pitcher for Strong Vincent High School, has signed a contract with the Chicago White Sox for a bonus estimated at more than \$25,000.

Chicago assigned Williams to the Wisconsin Rapids Club in the Wisconsin State League. He will join the team in a few days.

Ted Williams, in his debut with the Red Sox in 1959, got a double in four trips to the plate but the Yankees beat the Bostonians, 2-0.

Government Settles With S. S. Company
Washington (AP)—The government and the R. Stanley S. S. Company today settled their five-year court fight over control of the Big Dollar Steamship Line.
Terms of the settlement provide:
1. The controlling stock interest in the line claimed by both will be put up at public sale at any price above 14 million dollars.
2. The winner on sealed bids will get the 92 per cent block of stock and the government and the Dollar interest will divide the proceeds.
3. If the public sale fails to bring a bid of 14 million or more, the stock will be divided equally between the government and the Dollar interest.
In any event, Secretary of Commerce Sawyer said, the government intends to get out of the line and return it to private operation.
The 92 per cent controlling interest is valued at 69 million dollars.

Chief Negotiator Softens His Charges
Musan, Korea (AP)—The chief Communist Korean truce negotiator softened his denunciation of the Allies today, but remained unyielding on the prisoner exchange issue—last obstacle to an armistice.
Maj. Gen. William K. Harrison, head U. N. negotiator, told newsmen he attached no significance to North Korean Gen. Nam's omission of any mention of the not-so-called Allied prisoner camps on Korea Island.
Harrison told the Reds during a 35-minute meeting at Panmunjom that "no further concessions will be forthcoming" on the April 28 Allied prisoner proposal. Another Red-demand session was set for 11 a. m. tomorrow, 9 p. m. Thursday EST.

Name Counsellors for Y M C A Boys' Camp
(From Page One)
To supervise the crafts program in camp will be John Elliott, who attended Camp Sherwin many years before the local camp opened and was program director in 1950. The recently new phase in the "Y" program, archery, will be taught by Robert Israel.
To conduct the sporting activities, which include softball, football, volleyball, badminton, tennis, field hockey, and many others, will be Bill Oelslager, Fred Heyman, Dave Berdine, senior counsellors; and John Fisher, Bob Stevens and Frank Catchpole, junior counsellors.
Director Cameron today stressed that all boys planning on going hurry their registrations so that they don't miss out on the opportunity and to give the staff ample time to have the activity program drawn up completely. For those who cannot take their youngster to camp, bus reservations can be made at the "Y" and there will be a truck to take up the luggage. It should also be noted that the 10-day period is over with before the Fourth of July, allowing a good time for those attending both away and at home this year.

Engineer of Note Dies at Hospital After Long Illness
(From Page One)
Surviving are a daughter, Mrs. Margaret H. Lewis, Pleasant Fields in Pleasant township, with whom he had made his home for the past year; one brother, William H. Hubbard, Montclair, N. J.; also four grandchildren. His wife, Lucy Gibson Hubbard, preceded him in death in 1920.
Removal has been made to the Templeton Funeral Home, where friends will be received at the usual hours, starting at 2:00 p. m. Friday, and where a private prayer service in his memory will be conducted at 7:30 p. m. Friday by the Rev. Beecher M. Rutledge, rector of Trinity Memorial church.
Further removal will be made Saturday morning to a funeral home in Cleveland, where services will be held at 3:00 p. m. the same day. Interment will follow in the family plot in Lakewood cemetery, that city. Presentations to the Warren General Hospital Building Fund will be gratefully accepted in lieu of floral offerings.

Warren Girl Sings With Bethel Choir
News comes from Jean E. Danielson, daughter of Mr. and Mrs. Arvid Danielson, 104 Brook street, that she was graduated from Bethel College, St. Paul, Minn., on June 6th, completing her christian workers' course, and, as a member of the Bethel Chapel Choir, is presently on tour with that group.
The choristers are on a western swing, reaching out and taking in California. The choir will return to St. Paul on June 26, to have a part in the centennial celebration of the General Baptist Conference convening in St. Paul over that weekend.

Elks Completing Plans For Flag Day Exercises
(From Page One)
will be unable to walk because of illness or old age. It was indicated today that almost 100 Elks will appear with the unit representing the lodge.
Those in charge emphasize that this is a Community Flag Day program and every one is cordially invited to participate by viewing the parade and attending the exercises at Memorial Field.
It is expected the committee will have definite information about the arrival of Senator Martin before Friday's issue. Arrangements have been provided for him to stay at the American Legion Home during his visit to Warren. A reception will be arranged following the exercises.
In event of inclement weather, the exercises will be held in the court house.

'Diz' Hines Thrills Ball Fans In Elks' 3-2 Victory; Warren Merchants Bow to Youngsville

That spry oldtimer, "Diz" Hines, led his scrappy Elks' team to a 3-2 victory over an aggressive Warren Business School nine, in a Sunset League game on the State Hospital diamond last evening, described by veteran fans as one of

the most exciting ever staged at that popular field.

In a second game at Wilder Field, the up-and-coming Youngsville Merchants scored eight runs on nine hits to beat the league leading Warren Merchants 8 to 4.

thus going into a two-way tie for second place with the Elks. Each have a 3-3 record.

Because of a misunderstanding, last night's games were previously listed as second-half games; however, they were make-up games of the first round.

The Elks-WBS contest, played before a small crowd of shivering fans, came to a dramatic end when Hines, on the mound for his huskies, slammed a two-run homer in the last frame, to send in the tying run and register the winning score himself. The losers' tallies came in the first frame when Bud Berdine and Dave Lopez tallied.

When he came up with one out in the fifth inning, Hines connected for a three-bagger that went under the spectator seats in left-center, but his team mates were unable to push him across.

The game was a pitchers' battle all the way between Hines, himself, who held the Schoolboys to five hits, while Bill Weidert allowed the Elks only six.

At Wilder Field the game was anything but a pitchers' duel, Warren hitting Jim Sigworth for 11, while Smokey Bennett allowed nine in 6 and 1/3 innings. He was relieved by Rod Kerchner in the seventh.

Big batters for Youngsville were Harry Gnage, who smacked three hits, one a round-tripper, in four trips to the plate, and George Lucia with two for four.

Hank Sauer Stands In Williams' Shoes As Leading Slugger

By JACK HAND
Associated Press Sports Writer

No one will dare ask Hank Sauer to sit out the 1952 all-star game. The big fellow from Chicago stands in Ted Williams' shoes as the leading slugger in all baseball.

From the trend of the early '52 balloting, Sauer may wind up with the most votes of any player in either league. At least he will if he has many more days like yesterday.

Sauer hammered three of "cousin" Curt Simmons' pitches into the left field bleacher area for a 3-2 Cub win over the Phillies. Back in 1950 he also hit three homers off Simmons in an Aug. 28 game at Wrigley Field. No other major league batter ever hit three homers off the same pitcher in two different games.

Oddly enough, Sauer struck out three straight times in his last previous meeting with Simmons when the Phil southpaw fanned 12 and beat the Cubs on a two-hitter, May 13 at Philadelphia.

Sauer's slugging was the big news of the day, although there was much fussing and turning last night at St. Louis where both Manager Chuck Dressen and Pee Wee Reese of Brooklyn were tossed out of the game with the St. Louis Cardinals. Del Rice's single in the 10th gave the Cards a 3-2 win, slicing the Dodgers' National League lead to four games.

Jim Hearn pitched the New York Giants past Cincinnati, 3-2, with a four hitter and little Murry Dickson of Pittsburgh blanked Boston, 5-0.

The New York Yankees strengthened their American League lead with a 7-2 win over Detroit on Johnny Sain's pitching and home runs by Joe Collins and Yogi Berra.

Washington's Bob Porterfield shut out Cleveland's Bob Lemon, 1-0 to let the Boston Red Sox take over second place with a come-from-behind win over St. Louis, 11-9. The Red Sox blasted Satchel Paige for six in the ninth, including a game winning grand slam homer by Catcher Sammy White.

The Philadelphia A's knocked off Chicago, 5-3, on a four-run rally in the sixth that included a two-run homer by Al Clark, filling in for injured Gus Zernial.

Scorching Heat and Hogan Are Threats At Dallas Tourney

Dallas (P)—Two intruders, heat and Ben Hogan, threatened to complicate matters today as the familiar figures of golf's tournament trail began their annual quest for the biggest prize of all, the United States Open championship.

Hogan, of course, was regarded as the most serious threat as the vanguard of the field of 162 players began to stream down the bottle-necked fairways of the Northwood course at 9 a. m. EST.

The wiry little man from Fort Worth, who plays in only a few selected tournaments each year, smashed the solidarity of the regular "tourists" by winning the last two Open championships. His rivals don't like to do it again, but they can't deny him a place among the top three or four favorites.

The sticky heat, which hasn't kept a few players from scorching the course in practice, may have a more serious effect if it continues through Saturday. The contenders will have to play 36 holes on that last day and the strength-sapping Texas sun may take a more severe toll than those old enemies of tournament golfers, par and pressure. The local weather bureau forecast continued 90-degree temperatures today with no relieving rain.

The top favorites, Hogan, Sam Snead and Lloyd Mangrum are getting old as athletes go—from 37 to 40 years—and most of their strongest rivals aren't exactly young.

Northwood will play 6,782 yards with a par of 35-35-70 for the championship. Its fairways are narrow, requiring great accuracy from the tees, and if a bad drive or the constant wind should send a ball into the rough, it can mean trouble. And the woods are always there to discourage chance-taking.

Penn State Meets Texas Today As Collegiate Series Opens

Omaha, (P)—It's "batter up" today in college baseball's biggest show.

Eight teams, the cream of nation's collegiate diamonds, are after the NCAA title in the sixth annual college World Series being played for the third straight year in Omaha's million-dollar Municipal Stadium.

The field this year is perhaps the best so far.

Today's four games will see all eight teams in action but eliminate none. Only the twice-beaten will

be side-lined in the double elimination play.

The tournament will continue through Monday or Tuesday, depending on whether 14 or 15 games are necessary to decide the championship.

Today's schedule, all times Eastern Standard:

1 p. m. Texas vs Penn State
3.30 p. m. Duke vs Oregon State
7 p. m. Western Michigan vs Holy Cross
9.30 p. m. Missouri vs Colorado State

Falcons Split Two Games With Olean

Mike Trapani, Hamilton left-fielder, beat the curfew by four minutes with a line drive to score a teammate in the 15th inning last night to put the Cardinals back in a tie for the Pony Baseball League lead.

Trapani's hit drove in Don Demarse who had doubled with two out. The loser by a 5 to 4 score was Hornell—the team that started the battle with a half game grip on first place.

Jamesstown split with Olean. They won the first, 5 to 0, and dropped the nightcap, 4 to 1. Last-place Corning beat Batavia, 8 to 3. Wellsville at Bradford was postponed because of cold weather.

Chicago Pays \$25,000 To Sign Erie Player

Erie, (P)—Sam Williams, whose fast ball earned him a 4-0 record this year as a pitcher for Strong Vincent High School, has signed a contract with the Chicago White Sox for a bonus estimated at more than \$25,000.

Chicago assigned Williams to the Wisconsin Rapids Club in the Wisconsin State League. He will join the team in a few days.

Ted Williams, in his debut with the Red Sox in 1939, got a double in four trips to the plate but the Yankees beat the Bostonians, 2-0.

Pop's expecting them!

STOP IN TODAY FOR HIS FAVORITE
Arrow White Shirts

\$3.95 up

ARROW DART—sure to make a hit with Pop, it's America's best-liked shirt! Medium-point, nonwilt collar. Famous Mitoga trade-mark means it's tapered for better fit. "Sanforized" broadcloth. **\$3.95**

ARROW DALE—same collar style as the ever-popular Dart, tailored in extra-quality premium broadcloth. Regular or French cuffs. A credit to Dad's good taste! **\$5.00**

ARROW DREW—low-cut collar gives extra freedom at the throat for extra comfort. Fine "Sanforized" broadcloth (fabric shrinkage not over 1%). **\$3.95**

ARROW PAR—exceptionally good-looking. Smart, soft, spread collar (looks terrific with Dad's windier knot tie). Regular or French cuffs. **\$3.95**

ARROW GORDON DOVER—button-down Oxford-favorite. A rugged, good-looking shirt that stays fresh all day long—gives Dad plenty of wear. **\$4.50**

We have all the Arrow Collar Styles Dad likes best!

Kinzua Is Shut Out By Ludlow Wildcat Team; Score Is 2-0

The Ludlow Wildcats, behind four-hit pitching, shutout Kinzua 2-0 last night, at Ludlow Park, for their third win in four starts this season.

One of the four safeties allowed by the Wildcats was in the first three innings with D. Swanson on the mound. E. Pyham took over in the fourth, giving up three in the remaining four innings. R. Peterson was credited with the loss for Kinzua.

Espin was the big sticker for the winners with a perfect two for two, while Jerry Veeing slammed a double in two trips to the plate and Goodwin was credited with the only triple in the game. Kinzua's pitcher also led the batting order with two for three.

Next Saturday the Wildcats will meet Marlin-Rockwell on the State Hospital diamond in a return game.

OPPORTUNITY
We are looking for a high school graduate who is also looking for a position with a future. Why spend time in college when you can get paid while you learn? This work is a college education in itself. To qualify for this position, applicant must have had some previous selling experience and have a good scholastic record. Must be unmarried and a willing, steady worker. Only graduates over 18 years of age will be considered. Possible draft into the armed services no hindrance, and if drafted, length of service would be considered continuous until return, and be reinstated at position level when drafted. This position pays a livable wage to start and only single men will be considered. Additional remuneration and advancement contingent to performance and production and experience gained. If you are looking for big money today, don't answer this advertisement. We are only interested in a young man who is interested in a definite career. This is not factory work. Write your letter today in your own handwriting, stating age, previous selling experience, scholastic record, high school attended and telephone number. Address your letter to Box No. 615, Warren Times-Mirror and an interview will be arranged.

Graduates

At the 102nd annual commencement at the University of Rochester on Monday, Eleanor Stoddard, daughter of Leroy J. Stoddard, Conewango avenue, received her bachelor of science degree in nursing education. Miss Stoddard was graduated from WCA Hospital School of Nursing in 1945 and later served in a supervisory capacity there for two years before continuing her studies at Rochester.

When the University of Michigan holds its 108th commencement on Saturday, one of the 3,210 candidates for degrees will be Richard Philip Johnson, 20 Brook street, Warren, working for a bachelor of arts.

Two Warren students were among 200 seniors receiving degrees in the 133rd annual commencement exercises at Allegheny State College on June 9. They were Richard Kerr, son of Mr. and Mrs. Roy H. Kerr, 1107 Madison avenue, and James E. Boddorf, son of Mrs. M. Erikson, 102 West Fifth avenue.

Kerr studied foreign languages at Allegheny after spending his junior year studying German literature and organ at the University of Heidelberg, Germany. He was a member of Theta Chi Fraternity. Boddorf, student assistant in the department of psychology, was a member of Phi Kappa Psi, president of the senior class and chairman of the college publications board.

Weak, Run-Down Men and Women!

There's Positively Nothing Better Than FERRIZAN—

to pick you right up and make you feel that life is worth living again—when your condition, as is so often the case, is due to need of more essential vitamins, food iron for building up your blood with iodine for the digestive glands. FERRIZAN is a true Reconstructive dietary supplement for those who may so sadly need its benefits. It is especially valuable in simple blood-iron deficiency anemia, which can be manifest by tiredness on exertion, lassitude, an "all-gone" feeling of "no accountness," yes when nothing seems wrong otherwise. Give FERRIZAN a chance to pick you right up, increase your appetite, give you more energy from richer, redder blood. FERRIZAN is sold on a positive, Money-Back Agreement. If after a 30-day trial, you do not deem it has done real wonders for you.
